What Does MWWDA Do for Me?

- We promote, protect, and support the interests of the water well industry to provide Montanans access to a safe and reliable water supply.
- Educational seminars during the annual convention and trade show to make your drilling procedures and business safer and better.
- Bi-weekly member updates with news from the industry.
- Industry newsletter.
- Government relations –
  - A presence at the State Capital
  - Legislative updates during session
  - Comprehensive legislative wrap-up post session
  - Works with other industry associations
  - Instrumental in rulemaking for the industry.
- Reduced rates at Association functions.

Who should attend the MWWDA Convention?

- Water Well Contractors
- Monitoring Well Constructors
- Pump Installers
- Dewatering Contractors
- Plumbers
- Geothermal Contractors
- Manufacturers and Suppliers
- Government relations
- Government relations newsletter
- Educational seminars around the industry
- Legislative updates during session
- Comprehensive legislative wrap-up post session
- Works with other industry associations
- Instrumental in rulemaking for the industry.
- Reduced rates at Association functions.

Welcome to the Convention!

"Welcome one and all to the 75th Annual MWWDA Convention and Trade Show registration form! We are looking forward to once again being back in Billings at the Billings Hotel, and within the pages of this form you will find all that you need to register to attend the show!

YOUR convention committee has worked hard to bring you several new items this year, and a couple of changes to the format as well, giving you some additional time with your friendly vendors on Friday!

Remember that when we are in Billings, this is also the opportunity for you to interact with your elected officials! We have adjusted the time of the trade show to allow our Senators and Representatives to come and visit with our vendors, and if they want, have dinner with us and hear your comments! Be sure to mark the appropriate check-boxes to let us know if you will be at the banquet!

By checking the appropriate boxes and letting us know what you plan on attending, we continue to maintain our control on costs, helping us in the long run!

Finally, remember that registering for the Convention is not the same as paying your dues, and to maintain your continuous membership status, you will need to send that in separate. You can download the form from our newly refurnished website or pay online. Either way, be sure to not only register, but maintain your membership with the MWWDA!

I look forward to seeing you all in Billings!"

Silent Auction

Members:

This year we will once again be having a silent auction to help raise funds for our Scholarship! We will have the area set up once again early on the first day, Wednesday, February 6, 2020, and it will last throughout the day and conclude during our banquet! We hope that you will participate in this not only by perhaps supplying an item, but also by bidding on them as well. This is a great way to support the younger generation that is looking for a scholarship from the MWWDWA.

Look for more information on this as we get closer to the show!

Venue and Accomodations

Billings Hotel & Convention Center
1223 Mullowney Lane
Billings, Montana 59101
Phone: 406-248-7151

The MWWDWA has secured a limited block of rooms on a first come first served basis at the group rate of $95 per night single/double occupancy. The rates apply to the MWWDWA room block and are valid until the January 8, 2020 cutoff date, unless our block has been filled before that date. When making your reservations, be sure you mention that you are attending the MWWDWA convention to receive this group rate. Remember, you are responsible for securing your own reservations. For guest check-in and check-out times, please contact the hotel directly.

75th Annual MWWDWA Convention & Trade Show
Billings, Montana • February 5-7, 2020

One person per form, please photocopy for additional registrants.
Note: Reciprocal contractors, NGWA members, regulatory agents, and technical members may register at the MWWDWA member rates.
